

SUMMER MINISTRY SUPPORT REPORT

Please note: Upon completion of your service time, provide this one-page report to the GIT, given to the Emmanuel Admin Centre or Welcome Centre. The GIT will review the report and if approved, will disperse funds (\$125 per week of summer ministry) to the individual. For questions, contact scott.marble@eefc.ca.

Please do your best to include these questions in your report.

- What was the most significant thing you learned about serving God through ministry this Summer?
- During your time of service, what are you going to take away to apply in your daily life?
