

# Window On the World

"Window on the World" is about different countries, regions and people groups around the world. We will be putting it into the church library but you may want to get a copy for your family! There are 92 entries in this book letting children know about different people around the world and their cultures.

Each entry has a section that is called "To Help You Pray", and gives you things to be thankful for, and things that you can pray about for that country. I would recommend this book for children that are grade 3 and older. This would be great to go through as a family to find out more about how God is working around the world!
